

It's All About **Comprehension!**

Make Sure to Infer

come to conclusions
based on facts, hints,
and suggestions

Question Yourself Quietly

identify matters
that you
are unsure of

Pick Out What's Important

list story elements,
key facts, or
main points

Make Connections Count

link your own
experiences,
information you've
read, and
current events

Pause and Predict

use clues and what
you already know
to think about what
will happen before
it happens

Be Wise and Visualize

create pictures in
your mind from
the words you read

Organize and Synthesize

combine all your
information to
build a new
thought or idea
